

**Department of Agronomy
National Taiwan University**

Two Faculty Positions Starting August 1, 2021

The Department of Agronomy at National Taiwan University, Taipei, Taiwan, invites applications for two full-time faculty positions beginning August 1, 2021 at the rank of Assistant Professor, Associate Professor or Professor in **Biometry and Bioinformatics** and **Plant Breeding and Genetics**, respectively.

A qualified candidate should hold a Ph.D. in a relevant field including Agronomy, Statistics, Bioinformatics, Plant Breeding, Plant Genetics or Quantitative Genetics. For the position in **Biometry and Bioinformatics**, the applicants capable of teaching fundamental statistics/bioinformatics courses or with experience in crop science are preferable; for **Plant Breeding and Genetics**, the applicants capable of teaching fundamental plant breeding courses, with experience in crop breeding, or training in quantitative genetics are preferred.

The application package should include **two** letters of reference and **five** printed copies of the following documents (1) curriculum vitae, (2) publication list, (3) undergraduate and graduate transcripts if applying for the Assistant Professorship, (4) a photocopy of the Ph.D. diploma, (5) teaching plan and course outline or syllabus (6) research proposal, (7) a cover letter indicating the rank to apply, and one representative **original research article** which was published by the applicant being the 1st or corresponding author in an SCI peer-reviewed journal within 5 years (after August 1, 2016); a copy of doctoral dissertation can be the representative article if applying for the Assistant Professorship; (8) reprints of the selected publications published within 7 years (after August 1, 2014). The application package should mail to the Chair, Dr. Li-yu Daisy Liu, in Department of Agronomy, National Taiwan University, No. 1, Section 4, Roosevelt Road, Taipei 10617, Taiwan, before **January 15, 2021** for full consideration.
